1) Why would you like to go to the above city?

2) What interests and experience do you have that you think are applicable to being a delegate?

\* DSCI requires all delegates to participate and be active in DSCI programs and activities for a minimum of 1 year following the delegation visit. There are many ways to be active, such as: hosting, fundraising, events, delegate programming, student exchange activities and much more.

In order to broaden our reaches in the community, DSCI is limiting participation to 1 city per cycle of visits. (For example, delegations are sent to each sister city alternating years)
