International

## INDIVIDUAL & FAMILY MEMBERSHIP

*Building Bridges to Global Understanding.*

### ONCE YOU UNDERSTAND HOW WE'RE DIFFERENT, YOU SEE HOW WE'RE THE SAME.

Duluth, Minnesota is a beautiful world seaport with an international airport and a diverse citizenry, yet most of us never get a chance to meet people from foreign countries or enjoy their cultures. We seldom get to see up-close that despite living continents apart, we all want similar things for our families, our friends and our world. Choose your membership level and join us today!

We have greater opportunities than ever for global understanding. Duluth Sister Cities International helps bridge the oceans by bringing many of the world's traditions, music, art and languages right to us, and by taking us to *their* countries.

Ohara, Japan. Petrozavodsk, Russia. Växjö, Sweden. And Thunder Bay, Canada. All are Sister Cities of Duluth, helping to enrich each other's lives.

If you are interested in a specific Sister City relationship, please indicate which one(s):

Ohara    Petrozavodsk    Thunder Bay    Växjö
